

Delphi Corporation ("Delphi" or the "Company") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), hereby submit this Supplement To Motion For Order Authorizing Debtors To Enter Into Fourth Amendment And Fifth Amendment To Arrangement With General Motors Corporation (the "Motion Supplement").¹ As further described herein, in conjunction with Debtors' proposed further modifications to the Confirmed Plan (the "Modified Plan"), the Debtors have reached an agreement with General Motors Corporation ("GM") whereby GM would provide an additional \$250 million of interim financing to the Debtors through an amendment and restatement of the previously-approved liquidity support agreement among the Debtors and GM (as amended from time to time, the "GM Arrangement"). This agreement supplants the proposed fourth and fifth amendments to the GM Arrangement, which the United States Department of the Treasury's (the "Treasury Department") Task Force on the Auto Industry (the "Auto Task Force") previously was not ready to support. By this Motion Supplement, the Debtors seek interim and final approval of this financing arrangement. In further support of this Motion Supplement, the Debtors respectfully represent as follows:

Preliminary Statement

1. Delphi is on the brink of emergence from chapter 11. The Debtors have achieved their reorganization goals, maintained their business despite a global economic recession and the failed promises of would-be investors, and persevered in the face of unprecedented challenges that have flooded the automotive industry. The relief that Delphi now seeks – an expedited hearing for the Court to approve the proposed modifications to the Confirmed Plan and necessary amendments to its financing agreement with GM to facilitate such

modifications – will enable the Debtors to complete the final phase of their reorganization. Due to the nature of this transaction, there is no time to spare. The Debtors need to act now to effectuate the Modified Plan and the transactions incorporated therein to allow them to maximize value to their stakeholders. Without the requested relief, Delphi would likely be unable to effectuate a plan of reorganization.

2. In March 2006, approximately six months after the commencement of these chapter 11 cases, the Debtors announced the five key tenets of their transformation plan that they believed would enable them to return to stable, profitable business operations. Thereafter, over the next 18 months, the Debtors worked diligently with their stakeholders to achieve these goals. By September 2007, the Debtors had negotiated an investment agreement with a group of plan investors and had filed a plan of reorganization designed to allow Delphi to emerge from chapter 11 as a viable entity with significant recoveries for its stakeholders. Although the plan of reorganization and investment agreement were ultimately amended, in January 2008, this Court approved the Confirmed Plan and the Debtors' hope for emergence from chapter 11 was within reach.

3. During February and March 2008, the Debtors succeeded in obtaining \$6.1 billion in exit financing commitments and by April 4, 2008 the Debtors had satisfied the conditions required to substantially consummate the Confirmed Plan. The plan investors, however, refused to participate in the closing and refused to fund their investment agreement with Delphi. This devastating move by the plan investors precluded the Debtors from emerging from chapter 11, and Delphi was required to reevaluate and retool its business plan and emergence strategy.

4. Over the next six months, the Debtors revised their go-forward business plan and developed certain modifications to the Confirmed Plan so that Delphi could emerge on

an standalone basis, without plan investor support. The lack of the plan investors' \$2.5 billion investment, together with the overall economic decline, particularly in the automotive industry, and the total collapse of the credit markets in the latter half of 2008 significantly reduced the Debtors' enterprise value. In addition, the Debtors were unable to secure necessary exit financing, forcing the Debtors to remain in chapter 11. Despite these challenges, on October 3, 2008, the Debtors filed certain proposed modifications to the Confirmed Plan that incorporated a significantly lower enterprise value and reduced recoveries to creditors from those that were approved by the Court in the Confirmed Plan. As a result of the lack of available credit in the credit markets, the Debtors were unable to secure necessary emergence capital and thus were not able to obtain approval of the modifications to the Confirmed Plan.

5. Their unexpected prolonged stay in chapter 11 posed yet another challenge to the Debtors because their DIP credit facility was set to mature on December 31, 2008. Because of the collapse of the credit markets, the Debtors were unable to extend the maturity date of their DIP credit facility on reasonably acceptable terms. Accordingly, in December 2008, the Debtors and their debtor-in-possession lenders (the "DIP Lenders") entered into an accommodation agreement, as subsequently amended, to allow the Debtors, among other things, to continue using certain of the proceeds of the DIP credit facility through June 30, 2009. In addition, and in connection with certain amendments to the accommodation agreement with the DIP Lenders, GM agreed to provide the Debtors with additional liquidity and to accelerate payment of certain receivables to allow the Debtors to maintain ongoing operations in this challenging economic environment.

6. In the interim, the U.S. government's well-publicized involvement with the U.S. automotive industry and the Treasury Department's infusion of billions of dollars into the automotive industry, including GM, added yet another key stakeholder to the negotiations

with the Debtors regarding their emergence plan. Indeed, in March 2009, in connection with a proposed amendment to the accommodation agreement with the DIP Lenders, GM was to provide the Debtors with an additional \$150 million in liquidity under amendments to the previously-approved liquidity arrangement between Delphi and GM. The Treasury Department, however, acting pursuant to its authority under GM's loan agreement with the Treasury Department, notified the Debtors and GM that it was not yet supportive of the parties' seeking approval of these amendments and requested additional time to consider these agreements and various alternatives with respect to the Debtors' emergence from chapter 11. Since that time, the Debtors, GM, and the Treasury Department have been working on and negotiating a global solution to allow the Debtors to emerge from chapter 11. As part of that solution, GM has agreed to provide up to an additional \$250 million to support Delphi as it seeks approval of its Modified Plan and emergence from chapter 11.²

7. This process has resulted in agreements with certain parties that will enable the Debtors to emerge from chapter 11 and will allow the Debtors to continue to deliver high-quality products to their customers with the support of their supply base. The Debtors have reached an agreement with Parnassus Holdings II, LLC ("Parnassus"), an affiliate of Platinum Capital Equity Partners, L.P., and GM Components Holdings, LLC ("GM Components"), an affiliate of GM, whereby the Debtors would sell certain of their North American assets to GM Components and contemporaneously effectuate transactions through which Parnassus would operate certain of Delphi's U.S. and non-U.S. businesses going forward with emergence capital and capital commitments of approximately \$3.6 billion and without the legacy costs associated with the North American sites that are being acquired by GM Components together with Delphi's

² As described below, the Debtors are also seeking, in the alternative, approval of the Sale Transactions (as defined below) that form the basis of the Modified Plan pursuant to section 363 of the Bankruptcy Code, independently of and not pursuant to, or contingent on, any plan of reorganization.

global steering business (the "Sale Transactions"). The Debtors must proceed on an expedited basis to obtain the relief sought herein so that they can proceed to solicit votes on the Modified Plan. Failure to move forward now on this accelerated time frame could seriously jeopardize the Debtors' ability to emerge from chapter 11.

A. The Debtors' Financing Since The Fourth Quarter Of 2008

8. Since January 5, 2007, the Debtors have been operating in these chapter 11 cases by utilizing the proceeds of a refinanced debtor-in-possession facility (the "DIP Facility")³ comprised of three tranches: (i) a first priority revolving credit facility ("Tranche A"), (ii) a first priority term loan ("Tranche B"), and (iii) a second priority term loan ("Tranche C").⁴ The DIP Facility is governed by an Amended and Restated Revolving Credit, Term Loan and Guaranty Agreement dated as of May 9, 2008 (as amended, the "DIP Credit Agreement").

9. In the fourth quarter of 2008, facing frozen global credit markets and one of the worst bear markets in the history of the global capital markets, the Debtors negotiated an accommodation agreement (as amended from time to time, the "Accommodation Agreement") with the DIP Facility administrative agent (the "Agent") and certain required DIP Lenders. Under the Accommodation Agreement, and subject to the terms and conditions set forth therein, the Debtors could continue using certain of the proceeds of their then-approximately \$4.35 billion DIP credit facility through June 30, 2009 (the "Accommodation Period"). This Court authorized the Debtors to enter into the Accommodation Agreement by order entered on December 3, 2008 (Docket No. 14515) and the parties subsequently effectuated the agreement

³ The history of the DIP Facility is described in detail in the Debtors' Expedited Motion For Order (I) Supplementing January 5, 2007 DIP Refinancing Order (Docket No. 6461) And Authorizing Debtors To Enter Into And Implement Accommodation Agreement With Agent And Participating Lenders And (II) Authorizing Debtors To (A) Enter Into Related Documents And (B) Pay Fees In Connection Therewith, filed on November 7, 2008 (Docket No. 14408) (the "Accommodation Motion").

⁴ As of the date of this Motion the Debtors owe approximately \$249 million to the Tranche A lenders, \$337 million to the Tranche B lenders, and \$2.75 billion to the Tranche C lenders.

on December 12, 2008. From time to time during the first and second quarters of 2009, the Debtors reached Court-approved agreements with the DIP Lenders to, among other things, modify the Debtors' obligations under the Accommodation Agreement so that the Debtors could remain in compliance with that agreement and maximize available liquidity as they negotiated a global resolution of these chapter 11 cases.⁵

10. Concurrently with its approval of the Accommodation Agreement on December 3, 2008, the Court also entered an order approving a second amendment ("Amendment No. 2") to the GM Arrangement (Docket No. 14514). Amendment No. 2 extended the availability of the existing \$300 million liquidity support from December 31, 2008 to June 30, 2009, subject to certain conditions and provisions for earlier termination upon the occurrence of specified events.⁶

11. As part of the order approving Amendment No. 2 to the GM Arrangement, the Court also approved Delphi's entry into the Partial Temporary Accelerated Payment Agreement with GM (the "Pull-Forward Agreement"), which provided for GM to accelerate the payment of up to \$300 million in trade accounts payable to Delphi over the three-month period

⁵ See (i) First Accommodation Amendment Order, entered February 25, 2009 (Docket No. 16377), (ii) Interim Accommodation Supplemental Second Amendment Order, entered April 3, 2009 (Docket No. 16549), (iii) Final Accommodation Supplemental Second Amendment Order, entered April 23, 2009 (Docket No. 16575), (iv) Interim Accommodation Third Amendment Order, entered May 7, 2009 (Docket No. 16609), and (v) Final Accommodation Third Amendment Order, entered May 21, 2009 (Docket No. 16633).

⁶ Under the original GM Arrangement, GM had provided up to \$650 million in advances to Delphi in respect of payments GM would otherwise have made upon the effectiveness of the GSA and MRA. Upon the effectiveness of the Amended GSA and Amended MRA on September 29, 2008, this commitment terminated and the amounts advanced were set off against amounts to be paid by GM or its affiliates for the benefit of the Debtors under the Amended GSA and the Amended MRA. GM and the Debtors entered into a first amendment ("Amendment No. 1") to the GM Arrangement as of October 6, 2008 (Docket No. 14289). Pursuant to Amendment No. 1, GM agreed to make available to the Debtors an additional Tranche B consisting of \$300 million in advances under the terms and conditions set forth therein and pursuant to section 364(b) of the Bankruptcy Code. As part of the GM Arrangement, Delphi agreed to pay certain fees and expenses and to indemnify certain parties under specified conditions. In addition, other Debtors guaranteed Delphi's obligations thereunder. The GM Arrangement also provides that the Debtors' obligations thereunder are entitled to administrative expense priority under section 503(b)(1) of the Bankruptcy Code, subject to the terms of the GM Arrangement and the Second DIP Extension Order (Docket No. 13489).

beginning in March 2009. Under the Pull-Forward Agreement, GM made a \$50 million, a \$150 million, and a \$100 million payment to DAS LLC in January, March, and April 2009, respectively. These payments represented a partial temporary acceleration of accounts payable to DAS LLC for component parts supplied to GMNA and GM's service parts organization, with the effect of decreasing GM's payables not yet due to DAS LLC by the amount paid.

12. On January 30, 2009 Delphi reached an agreement with GM with respect to a third amendment ("Amendment No. 3") to the GM Arrangement, which generally contained amendments that conform the GM Arrangement to the amended terms of the Pull-Forward Agreement (as described below) and the amended terms of the Accommodation Agreement.

13. On January 30, 2009, Delphi and GM also agreed to an amendment to the Pull-Forward Agreement (the "Pull-Forward Amendment") designed to immediately enhance the Debtors' liquidity by, as described above, further accelerating trade payments to the first quarter of 2009. The Pull-Forward Amendment provided that GM may convert the first \$50 million of the May 2009 pull-forward payment (and, if made, the second \$50 million of the May 2009 pull-forward payment) into Tranche B advances under the GM Arrangement, provided that GM's total Tranche B commitment is simultaneously increased by any amount so converted. Upon such conversion, the GM payables owing to Delphi that correspond to the accelerated payment or payments so converted would be reinstated so that GM remains obligated to make such payments as if they had never been accelerated. On February 25, 2009, the Court entered an order authorizing the Debtors to enter into Amendment No. 3 to the GM Arrangement and the Pull-Forward Amendment (Docket No. 16379).

14. On March 4, 2009, the Debtors filed a motion (the "Motion") seeking this Court's approval of a fourth amendment and fifth amendment to the GM Arrangement (respectively, "Amendment No. 4" and "Amendment No. 5") (Docket No. 16411), which

amendments would have provided the Debtors with an additional \$150 million of liquidity support. Amendment No. 4 provided for an increase of GM's total commitment under the GM Arrangement from \$300 million to \$350 million and Amendment No. 5 provided for a subsequent increase of GM's total commitment under the GM Arrangement from \$350 million to \$450 million, each subject to the terms and conditions of those amendments. On March 4, 2009, the Debtors also filed a motion seeking approval of GM's exercising the "Unsold Business Option" referred to in Section 4.06(a)(i) of the Amended MRA with respect to Delphi's global steering and halfshaft business (the "Steering Option Exercise Motion") (Docket No. 16410).

15. The Motion and the Steering Option Exercise Motion were scheduled to be heard at an omnibus hearing on March 24, 2009. The night before the hearing, however, counsel for the Auto Task Force notified GM and the Debtors in writing that the Auto Task Force was not supportive of the parties' seeking approval of these agreements until it had a further opportunity to review the details of those transactions and the various alternatives with respect to Delphi's emergence from chapter 11. At the request of the parties, this Court has adjourned the hearing on these motions from time to time to allow discussions with respect to these agreements and the Debtors' overall reorganization framework to progress, with the last adjournment being to June 2, 2009.

16. The Debtors' complex and difficult negotiations with its key stakeholders and the Auto Task Force have culminated in the transactions set forth in the supplement to the Plan Modification Motion that the Debtors have filed concurrently herewith. Specifically, the Debtors have reached an agreement with Parnassus and GM Components, whereby the Debtors would sell certain of their North American assets to GM Components and contemporaneously effectuate transactions through which Parnassus would acquire and operate certain of Delphi's U.S. and non-U.S. businesses going forward with emergence capital and capital commitments of

approximately \$3.6 billion and without the labor-related legacy costs associated with the North American sites that are being acquired by GM Components together with Delphi's global steering business. To facilitate the Sale Transactions and the Debtors' emergence from chapter 11 at this time, the Auto Task Force has authorized GM to provide the Debtors with \$250 million of critical interim financing through the amendments to the GM Arrangement described below.

Relief Requested

17. The Debtors file this Motion Supplement seeking entry of an interim order approving the amendments to the GM Arrangement set forth in the Amended and Restated GM Arrangement attached hereto as Exhibit A (the "Amended and Restated GM Arrangement"), which supplant Amendment No. 4 and Amendment No. 5, pending a final hearing on the Motion Supplement on June 16, 2009. As discussed below, the Amended and Restated GM Arrangement provides for a \$250 million increase of GM's total commitment under the GM Arrangement, subject to the terms and conditions set forth in the agreement.

Basis For Relief

18. As noted above, at this critical juncture the Debtors require short-term bridge financing to fund their operations as they proceed to effectuate the Sale Transactions and take the steps necessary to obtain confirmation of the Plan Modifications within the tight time frames imposed by the Debtors' current circumstances. GM is willing to provide such interim financing on the terms set forth in the Amended and Restated GM Arrangement to facilitate the Debtors' emergence from chapter 11 and, moreover, is willing to cancel the Debtors' repayment obligations with respect to the full \$550 million under the Amended and Restated GM Arrangement upon consummation of the Sale Transactions. Without such favorable financing, the Sale Transactions and the Plan Modifications could not succeed, risking great loss of value to

the Debtors' estates and their stakeholders. Accordingly, the Debtors' request that this Court grant the relief sought herein.

B. The Amended And Restated GM Arrangement

19. The Debtors and GM have negotiated amendments to the GM Arrangement which supplant Amendment No. 4 and Amendment No. 5 and provide for an overall increase of \$250 million in GM's unsecured commitments under the GM Arrangement from \$300 million to \$550 million in the form of a new "Tranche C Commitment."⁷

20. The new \$250 million Tranche C Commitment is intended to provide the Debtors with the interim liquidity that they require while they seek to consummate the Sale Transactions and emerge from chapter 11. Accordingly, the Tranche C Commitment is scheduled to terminate on the earlier of (i) September 30, 2009,⁸ (ii) the date on which the Debtors seek to amend or otherwise modify the plan of reorganization filed on October 3, 2008 in a manner not satisfactory to GM, (iii) the date the DIP Facility is repaid in full, (iv) the effective date of the Modified Plan, (v) the earlier of (a) the date the Court denies the motion seeking approval of the Sale Transactions, (b) July 23, 2009, unless the Court has approved the Sale Transactions by that date, or (c) seven days after the date the Court enters an order enjoining, restraining, or otherwise restricting the Debtors from seeking approval of the Modified Plan or the Stand Alone Sale (as defined below), if such order has not been reversed, (vi) the date

⁷ From and after the Tranche C Effective Date and prior to the Tranche B Termination Date, the Tranche C Commitments shall not exceed an aggregate outstanding principal amount of \$250,000,000. From and after the Tranche B Termination Date, the Tranche C Commitments shall not exceed an aggregate principal amount of \$250,000,000 plus the aggregate amount of any prepayments made by the Delphi to GM on and after the Tranche B Termination Date in accordance with Section 2.09(b) of the Amended and Restated GM Arrangement.

⁸ If pursuant to Section 12.1.2 of the Master Disposition Agreement governing the Sale Transaction (the "Sale Agreement"), the termination date of the Sale Agreement has been extended to October 30, 2009, then the outside termination date of September 30, 2009 of the Tranche C Commitment shall also be extended to October 30, 2009.

on which the Sale Agreement terminates, and (vii) the date on which the Sale Transactions are consummated. The existing \$300 million Tranche B Commitment, which the Court previously approved in December 2008, is scheduled to terminate on June 30, 2009, unless terminated earlier as set forth in the definition of "Tranche B Scheduled Termination Date" in the Amended and Restated GM Arrangement.

21. Notably, under section 2.07 of the Amended and Restated GM Arrangement, if the Modified Plan or the Sale Transactions have been consummated on or before the Tranche B Termination Date and Tranche C Termination Date (both as defined in the Amended and Restated GM Arrangement), the loans outstanding under the Amended and Restated GM Arrangement would be automatically cancelled and the Debtors would not be required to pay GM the \$550 million principal amount with respect to such loans. Moreover, under section 2.05, the Debtors would not be required to pay accrued interest with respect to each of the Tranche B Commitments and the Tranche C Commitments if the Modified Plan or Sale Transactions are consummated on or before the Tranche B and Tranche C Termination Date, respectively.

22. The effectiveness of the Amended and Restated GM Arrangement is subject to certain conditions precedent set forth in Section 4.01 thereof, which include: (i) GM's approval of the terms of any amendments or modifications to the DIP Credit Agreement, Accommodation Agreement, or Confirmed Plan, (ii) this Court's entry of an interim order approving the Amended and Restated GM Arrangement,⁹ and (iii) neither the Agent nor any DIP Lender having taken any action to exercise remedies under the DIP Credit Agreement or

⁹ Section 4.01(f) requires that the interim order approving this agreement (i) grant GM administrative claims with respect to its commitments under the agreement, (ii) authorize extensions of credit in an aggregate principal amount up to the Tranche C Commitment, (iii) authorize the payment by Delphi of all fees and expenses provided for in the agreement, and (iv) be in form and substance reasonably acceptable to GM.

the related security documents with respect to any collateral, other than (a) with respect to cash collateral held in cash collateral accounts as of the effective date of the Tranche C Commitments (the "Tranche C Effective Date") as provided in the DIP Credit Agreement and the other Loan Documents (as defined in the DIP Credit Agreement) and (b) the giving of notice and direction by the DIP Lenders to the Agent with respect to actions contemplated under the Modified Plan.

23. With respect to the Sale Transactions, section 4.01 of the Amended and Restated GM Arrangement also requires as a condition to the effectiveness of the agreement that the Debtors have executed the documents in connection with the Sale Transactions and that they seek approval of the Sale Transactions concurrently through a plan of reorganization and a stand-alone section 363 sale. Specifically, on or before June 1, 2009, the Debtors are required to file a motion (the "Solicitation Motion"), in form and substance reasonably satisfactory to GM, which seeks, in the alternative, either (i) to approve, among other things, the modifications under the Modified Plan pursuant to which the Debtors will perform their obligations under the Sale Documents or (ii) approval to enter into and perform their obligations under the Sale Documents under section 363 of the Bankruptcy Code, independent of and not pursuant to or contingent on the effectiveness of, any plan of reorganization (the "Stand Alone Sale"). The Amended and Restated GM Arrangement requires that, on or prior to June 10, 2009, the Court enter an order, in form and substance reasonably acceptable to GM, approving the relief sought in the Solicitation Motion and scheduling a hearing for the approval of the Modified Plan or the Stand Alone Sale, to be held on or prior to July 23, 2009.

24. As set forth in section 4.04(d) of the Amended and Restated GM Arrangement, the Debtors must achieve certain milestones in order to borrow with respect to the new Tranche C Commitments (the "Milestones"). These milestones are as follow:

On the date of each Tranche C Advance requested on and after each of the dates set forth in the following clauses (i) – (v), the following conditions shall have been satisfied: (i) on the tenth date after the Tranche C Effective Date, the Interim Order shall not be stayed, modified or reversed or subject to any appeal, (ii) the Solicitation Order shall have become final and non-appealable within ten days of the Tranche C Effective Date (the "Final Solicitation Order"), (iii) by July 2, 2009, the Borrower shall have filed the 363 Implementation Agreement with the Bankruptcy Court pursuant to the Solicitation Order, (iv) by July 23, 2009, a hearing shall have been held to approve the Modified Reorganization Plan or the Stand Alone Sale, and the Bankruptcy Court shall have entered an order, in form and substance reasonably acceptable to GM, approving the Modified Reorganization Plan or the Stand Alone Sale (in either case, such order referred to herein as the "Sale Transactions Order") and (v) within ten (10) days of the entry after the Sale Transactions Order and in any event no later than August 3, 2009, such Sale Transactions Order shall have become final and nonappealable.

25. Moreover, the Debtors' ability to borrow with respect to the Tranche C Commitment is contingent upon, among other things, (i) no amendment or other modification to the DIP Credit Agreement or the Accommodation Agreement having been made and no motion to approve any such amendment or modification having been filed that is not reasonably acceptable to GM, (ii) no new agreement or amendment, extension, or other modification having been made and no motion to approve any such new agreement, amendment, extension, or other modification having been filed that requires payment of interest on account of the Tranche C loans under the DIP Credit Agreement,¹⁰ (iii) neither the Agent nor any DIP Lender having taken any action to exercise remedies under the DIP Credit Agreement or the related security documents with respect to any collateral, other than (a) with respect to cash collateral held in cash collateral accounts as of the Tranche C Effective Date as provided in the DIP Credit Agreement and the other Loan Documents and (b) the giving of notice and direction by the DIP

¹⁰ Further, section 5.06 has been added to the Amended and Restated GM Arrangement to include the following covenant: "At no time after the Tranche C Effective Date shall proceeds of the Tranche C Loans be used to pay amounts to the DIP Agent or the DIP Lenders on account of interest owing on the tranche C loans under the DIP Credit Agreement."

Lenders to the Agent with respect to actions contemplated under the Modified Plan., (iv) no motion or other pleading having been filed, without GM's consent, seeking approval of or entry of an order confirming a plan of reorganization, other than the Modified Plan (v) no stay, amendment, reversal, or other modification having been made in a manner that is not reasonably acceptable to GM to (a) the interim and/or final order approving the Amended and Restated GM Arrangement, (b) the Solicitation Order, or (c) the Sale Transactions Order, (vi) no stay, reversal, or other modification having been made in a manner that is not reasonably acceptable to GM to any future order relating to or approving amendments to the DIP Credit Agreement or Accommodation Agreement, (vii) no default, material breach (not waived by the applicable party or parties) by Delphi, or termination having occurred under any of the Sale Documents (as defined in the Amended and Restated GM Arrangement), and Delphi not having taken any action or filed any motion to terminate, modify, or reject any of the Sale Documents, and (viii) on the date of each advance under the Amended and Restated GM Arrangement, no Event of Default or event which upon notice or lapse of time or both would constitute an Event of Default having occurred and be continuing under the Amended and Restated GM Arrangement.

Applicable Authority

C. The Court Should Authorize The Amended And Restated GM Arrangement

26. The Debtors seek approval of the Amended and Restated GM Arrangement, which increases GM's unsecured obligations under the GM Arrangement from \$300 million to \$550 million. According to the terms of the GM Arrangement, Delphi is to grant GM an administrative claim for such increased amounts under section 503(b) of the Bankruptcy Code.

27. Under section 364(b) of the Bankruptcy Code, a debtor may obtain unsecured credit outside the ordinary course of business and provide the lender extending such credit with an administrative priority claim for such amounts under section 503(b)(1) of the Bankruptcy Code. 11 U.S.C. § 364(b). Bankruptcy courts have discretion in determining whether to approve such transactions, although such "discretion is not unbridled." In re Ames Dep't Stores, Inc., 115 B.R. 34, 37 (Bankr. S.D.N.Y. 1990). In making such determinations, "courts have focused their attention on proposed terms that would tilt the conduct of the bankruptcy case; prejudice, at an early stage, the powers and rights that the Bankruptcy Code confers for the benefit of all creditors; or leverage the Chapter 11 process by preventing motions by parties-in-interest from being decided on their merits." Id. (citations omitted).

28. With respect to the GM Arrangement, the Court determined that these standards were met when it approved (i) the GM Arrangement,¹¹ (ii) the additional \$300 million commitment from GM in Amendment No. 1,¹² (iii) the extension of that commitment in Amendment No. 2,¹³ and (iv) to the extent section 364(b) was applicable, the modifications accomplished by Amendment No. 3.¹⁴ Because the GM Arrangement will remain in place, as amended and restated, the Court's prior findings should apply.

¹² Order Authorizing Amendment to Arrangement with General Motors Corporation Approved Pursuant to Second DIP Extension Order [Docket No. 13489] (Docket No. 14289).

¹³ Order Authorizing Debtors to Enter (I) Second Amendment to Arrangement with General Motors Corporation Approved Pursuant to Second Dip Extension Order (Docket No. 13489) and (II) Partial Temporary Accelerated Payment Agreement (Docket No. 14514).

¹⁴ Order Authorizing Debtors to Enter into (I) Third Amendment to Arrangement with General Motors Corporation Approved Pursuant to Second DIP Extension Order (Docket No. 13489) and (II) First Amendment to Partial Temporary Accelerated Payment Agreement (Docket No. 16379).

(b) Application Of The Business Judgment Standard

29. Based on the foregoing, the Debtors submit that entry of an order approving the Amended and Restated GM Arrangement is necessary and appropriate to complete the Debtors' reorganization efforts. The agreements were negotiated in good faith, at arm's length, and in the exercise of the Debtors' business judgment. Bankruptcy courts routinely defer to the debtor's business judgment on most business decisions, including the decision to borrow money. See Group of Institutional Investors v. Chicago, Milwaukee, St. Paul & Pac. R.R. Co., 318 U.S. 523, 550 (1943); In re Simasko Prod. Co., 47 B.R. 444, 449 (Bankr. D. Colo. 1985). In considering whether a debtor has exercised its business judgment, a court is not free to second-guess particular provisions but rather determines whether the proposed action "as a whole is within reasonable business judgment." In re Crowthers McCall Pattern, Inc., 114 B.R. 877, 888 (Bankr. S.D.N.Y. 1990).

30. The Second Circuit has held that, although the Bankruptcy Court sits as an "overseer of the wisdom with which the bankruptcy estate's property is being managed by the . . . debtor-in-possession," it must nevertheless resist becoming "arbiter of disputes between creditors and the estate." Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.), 4 F.3d 1095, 1099 (2d Cir. 1993). Once the debtor articulates a valid business justification, a presumption arises that "in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company." Official Comm. Of Subordinated Bondholders v. Integrated Resources, Inc. (In re Integrated Resources, Inc.), 147 B.R. 650, 656 (S.D.N.Y. 1992) (citation omitted). Thereafter, "[p]arties opposing the proposed exercise of a debtor's business judgment have the burden of rebutting the presumption of validity." Id. To satisfy its burden, it is not enough for an objector simply to raise and argue an objection. Rather, an objector "is required to

produce some evidence respecting its objections." Comm. Of Equity Holders v. Lionel Corp. (In re Lionel Corp.), 722 F.2d 1063, 1071 (2d Cir. 1983).

31. The Debtors have exercised sound business judgment in determining that it is appropriate and necessary to enter into the Amended and Restated GM Arrangement to ensure that the Debtors have the necessary liquidity to continue to work to emerge from chapter 11. The Debtors have determined that, in light of the constraints on their liquidity, the current turmoil in the automotive industry, and the ongoing freeze of the global capital markets, to preserve value for their estates they must seek to effectuate the Sale Transactions and emerge from chapter 11 at this time.

32. Without access to capital from other sources and with the termination of the Accommodation Period looming, the unsecured financing being offered to the Debtors through the Amended and Restated GM Arrangement is the only viable option available to the Debtors to fund operations while completing the Sale Transactions. Further, the Amended and Restated GM Arrangement provides for the cancellation of the Debtors' repayment obligations with respect to this \$550 million loan in connection with the effectiveness of the Sale Transactions or Modified Plan. Accordingly, not only would the Amended and Restated GM Arrangement preserve the going-concern value of these estates by facilitating the Sale Transactions, the cancellation of the obligations thereunder would add substantial value to these estates as well. Indeed, in light of the current circumstances facing the Debtors, the proposed terms of the Amended and Restated GM Arrangement are fair, reasonable, and necessary and are in the best interests of the Debtors' estates. Accordingly, the Debtors should be granted authority to enter into the Amended and Restated GM Arrangement, and take the other actions contemplated by the Amended and Restated GM Arrangement and as requested herein.

D. The Amended and Restated GM Arrangement
Should Be Accorded The Benefits Of Section 364(e)

33. Section 364(e) of the Bankruptcy Code provides that the "reversal or appeal of an authorization . . . to obtain credit or incur debt, or of a grant . . . of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal." The Amended and Restated GM Arrangement was negotiated in good faith and no consideration is being provided to any party to, or guarantor of, obligations arising under these agreements other than as disclosed therein. Accordingly, the agreement should be accorded the benefits of section 364(e) of the Bankruptcy Code for all the reasons set forth herein.

E. Waiver Of The Ten-Day Stay Provided By Bankruptcy Rule 6004

34. Bankruptcy Rule 6004(h)¹⁵ provides: "An order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 10 days after entry of the order, unless the court orders otherwise." The Debtors request that this Court waive this ten-day stay because Delphi needs the immediate liquidity relief that the Amended and Restated GM Arrangement provides so that it may proceed with the Sale Transactions and emerge from chapter 11. Moreover, the Court granted the Debtors' request for relief from Bankruptcy Rule 6004(h) in connection with the original GM Arrangement and each of the subsequent amendments thereto. Other courts in this district have waived this ten-day stay upon a showing of business need. See In re Adelpia Commc'ns Corp., 327 B.R. 143, 175 (Bankr. S.D.N.Y. 2005) ("As I find that the required business need for a waiver has been shown, the order may

¹⁵ Formerly Bankruptcy Rule 6004(g).

provide for a waiver of the 10-day waiting period under Fed. R. Bankr. P. 6004(g)."); In re PSINet Inc., 268 B.R. 358, 379 (Bankr. S.D.N.Y. 2001) (requiring demonstration of "a business exigency" for a waiver of the ten-day stay under Bankruptcy Rule 6004(h)).

Notice Of Motion

35. Notice of this Motion Supplement will be provided in accordance with this Court's instructions. In light of the nature of the relief requested, the Debtors submit that no other or further notice is necessary.

WHEREFORE the Debtors respectfully request that the Court enter an order

(i) authorizing the Debtors to enter into the Amended and Restated GM Arrangement and

(ii) granting the Debtors such other and further relief as is just.

Section 2.03. Funding of Advances. Upon satisfaction or waiver of the applicable conditions precedent specified herein, GM shall make the proceeds of the Loans available to Borrower by wire transfer of immediately available funds by 2:00 p.m., New York City time, to the account of the Borrower most recently designated by it for such purpose by written notice to GM.

Section 2.04. Interest Elections. Each Advance of Loans shall have an initial Interest Period as specified in such Advance Request. Thereafter, the Borrower may elect to continue such Advance and may elect Interest Periods therefor, in accordance with the provisions set forth in Section 2.06(b), (c) and (e) of the DIP Credit Agreement (which provisions have been duly incorporated by reference by Section 8.14 herein); *provided* that there shall be no more than ten (10) Interest Periods outstanding at any time.

Section 2.05. Interest on the Loans.

(a) Subject to the provisions of Section 2.06, each Advance shall be comprised entirely of Eurodollar Loans and shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal, during each Interest Period applicable thereto, to the Adjusted LIBO Rate for such Interest Period in effect for such Advance plus 5.25%; *provided* that if the applicable Adjusted LIBO Rate at the time of determination of the interest rate for an Advance is below 3.25%, the Adjusted LIBO Rate for such Advance for such Interest Period shall be deemed to be 3.25%; *provided, further*, that, in the event the DIP Credit Agreement is amended, modified, refinanced or replaced so that the pricing for the tranche bearing the highest pricing under the DIP Credit Agreement (the “Adjusted DIP Pricing”) is greater than the rates set forth above, then the rates set forth above in this Section 2.05(a) shall be automatically adjusted so that the pricing for the Advances is the same as such Adjusted DIP Pricing.

(b) Accrued interest on all of the Loans shall be payable in arrears on each Interest Payment Date applicable thereto, on the applicable Scheduled Termination Date and after such Scheduled Termination Date on demand and upon any repayment or prepayment thereof, other than a prepayment pursuant to Section 2.09 hereof (on the amount prepaid); *provided* that until the DIP Termination Date, all interest, including amounts owing pursuant to Section 2.06, shall be paid in kind by increasing the principal amount of the Loans then outstanding in an aggregate amount equal to the interest due on each Interest Payment Date; and *provided, further*, that (A) with respect to all Tranche A Loans, if the Master Restructuring Agreement and the Global Settlement Agreement become effective on or before the Tranche A Termination Date, then all interest accrued and owing hereunder, whether before or after the effectiveness of the Master Restructuring Agreement and the Global Settlement Agreement, including amounts owing

pursuant to Section 2.06 and any amounts which have been previously added to the principal amount of the Loans outstanding pursuant to the preceding proviso, shall be automatically cancelled and shall not be included in the Borrower's Tranche A Obligations hereunder, (B) with respect to all Tranche B Loans, if the Modified Reorganization Plan or the Sale Transactions have been consummated on or before the Tranche B Termination Date, then in either case, all interest accrued and owing hereunder, whether before or after such effectiveness, including amounts owing pursuant to Section 2.06 and any amounts which have been previously added to the principal amount of the Loans outstanding pursuant to the preceding proviso, shall be automatically cancelled and shall not be included in the Borrower's Tranche B Obligations hereunder, and (C) with respect to all Tranche C Loans, if the Modified Reorganization Plan or the Sale Transactions have been consummated on or before the Tranche C Termination Date, then in either case, all interest accrued and owing hereunder, whether before or after such effectiveness, including amounts owing pursuant to Section 2.06 and any amounts which have been previously added to the principal amount of the Loans outstanding pursuant to the preceding proviso, shall be automatically cancelled and shall not be included in the Borrower's Tranche C Obligations hereunder

Section 2.06. Default Interest. If the Borrower or any Guarantor, as the case may be, shall default in the payment of the principal of or interest on any Loan becoming due hereunder, whether at stated maturity, by acceleration or otherwise, the Borrower or such Guarantor, as the case may be, shall on demand from time to time pay interest, to the extent permitted by law and subject to and in accordance with Section 2.05(b), on all Loans up to (but not including) the date of actual payment (after as well as before judgment) at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 360 days) equal to the rate then applicable for such Advances plus 2.0%; *provided* that if the Adjusted DIP Pricing then in effect includes default interest pursuant to Section 2.09 of the DIP Credit Agreement, the additional 2.0% shall not apply.

Section 2.07. Repayment of Obligations. The Borrower hereby unconditionally promises to pay to GM (i) the then unpaid Tranche A Obligations on the Tranche A Scheduled Termination Date, (ii) the then unpaid Tranche B Obligations on the Tranche C Scheduled Termination Date and (iii) the then unpaid Tranche C Obligations on the Tranche C Scheduled Termination Date or, in each case, earlier, if otherwise required by the terms hereof; *provided* that, subject to Section 6.01, such Obligations shall be paid as a set-off by GM of amounts payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor pursuant to the Global Settlement Agreement and the Master Restructuring Agreement, as and when such amounts become payable; and *provided further* that upon consummation of the Sale Transactions, the principal amount of the Tranche B Loans and the Tranche C Loans shall be automatically cancelled and shall not be included in the Borrower's Obligations. GM shall maintain in accordance with customary practice an account or accounts evidencing the indebtedness of the Borrower to GM resulting from each Loan made by GM, including (i) the amount of each Loan made hereunder and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to GM, (iii) the amount of any interest paid in kind pursuant to Section 2.05(b) and (iv) the amounts of principal and interest paid by the Borrower to GM from time to time hereunder. The entries made in such accounts shall be prima facie evidence of the existence and amounts of the obligations recorded therein; *provided* that the failure of GM to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

Section 2.08. Optional Termination or Reduction of Commitments. Upon at least one (1) Business Day's prior written notice to GM, the Borrower may at any time in whole permanently terminate, or from time to time in part permanently reduce, the unused portions of the Commitments. Each such reduction of the Commitments shall be in the principal amount of \$25,000,000 or any integral multiple of \$5,000,000 in excess thereof.

Section 2.09. Mandatory Prepayment.

(a) Tranche A Loans. If the aggregate amount of the Tranche A Available Funds exceeds \$500,000,000 (such excess amount at any time, the "Tranche A Excess Availability") and such excess is greater than \$5,000,000 (i) if the Borrowing Base Certificate is delivered on a weekly basis, on the date such Borrowing Base Certificate is delivered and (ii) otherwise, on the last Business Day of any calendar week, the Borrower shall prepay the Loans (excluding any portion of the Loans comprising interest that is paid in kind on such Loans pursuant to Section 2.05(b)) within one (1) Business Day of such date in an amount equal to the Tranche A Excess Availability. Notwithstanding anything to the contrary contained in this Agreement, from and after the effectiveness of the amendments to each of the Master Restructuring Agreement and the Global Settlement Agreement referred to in Section 5.03, the Borrower shall immediately repay, as a set-off by GM in accordance with Section 2.07, an amount equal to the lesser of (x) the Tranche A Obligations outstanding hereunder on such date and (y) any amounts due and payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor under such agreements on such date.

(b) Tranche B Loans. If, on any Monday or Thursday of any calendar week the aggregate amount of the Tranche B Available Funds exceeds the amount projected by the Borrower on such date to be the net use of cash by the Borrower and the Guarantors for the period commencing on such date through the next Monday or Thursday, as the case may be, *plus* (i) \$25,000,000 or (ii) \$50,000,000 at any time when the Minimum Liquidity Amount is equal to \$50,000,000 (such excess amount at any time, the "Tranche B Excess Availability"), the Borrower shall prepay the Loans (excluding any portion of the Loans comprising interest that is paid in kind on such Loans pursuant to Section 2.05(b)) within one (1) Business Day of such date in an amount equal to the Tranche B Excess Availability. Notwithstanding anything to the contrary contained in this Agreement, from and after the Tranche C Termination Date the Borrower shall immediately repay, as a set-off by GM in accordance with Section 2.07, an amount equal to the lesser of (x) the Tranche B Obligations outstanding hereunder on such date and (y) any amounts due and payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor under such agreements on such date.

Section 2.10. Payments Generally.

(a) The Borrower shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest, fees or other amounts payable hereunder) prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of GM, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to GM at its offices at 767 Fifth Avenue, 14th Floor, New York, New York, except that payments pursuant to Section 8.04 shall be made directly to the Persons entitled thereto. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business

Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to GM to pay fully all amounts of principal, interest, fees and expenses then due hereunder, such funds shall be applied (i) *first*, towards payment of fees and expenses then due under Section 8.04, (ii) *second*, towards payment of interest accrued and then due hereunder on account of the Loans (including any interest payable pursuant to Section 2.06) and (iii) *third*, towards payment of principal of the Loans then due hereunder.

(c) Notwithstanding anything to the contrary set forth herein, GM shall have the right to exercise the Set-Off Right, subject to Section 6.01, against any amounts owed under this Agreement in such order as it shall elect in its sole discretion.

Section 2.11. Priority. The Borrower and each of the Guarantors hereby covenants, represents and warrants that, upon entry of the Interim Approval Order, the Obligations owing to GM or its Affiliates shall at all times constitute allowed claims in the Cases having administrative expense priority pursuant to Section 503(b)(1) of the Bankruptcy Code (such allowed claims, the “Administrative Claims”). The parties hereto agree that GM’s Set-Off Rights shall rank ahead of general unsecured claims at all times.

Section 2.12. Payment of Obligations. Subject to the provisions of Section 2.07 and Section 6.01, upon the maturity (whether by acceleration or otherwise) of any of the Obligations under this Agreement, GM shall be entitled to payment of such Obligations in accordance with the terms hereof without further application to or order of the Bankruptcy Court.

Section 2.13. No Discharge; Survival of Claims. Each of the Borrower and the Guarantors agrees that, except to the extent that GM shall have been paid in full (whether by exercising its Set-Off Rights or otherwise), (i) its obligations hereunder shall not be discharged by the entry of an order confirming a Reorganization Plan (and each of the Borrower and the Guarantors, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (ii) the Administrative Claims granted to GM pursuant to the Interim Approval Order, the Approval Order and described in Section 2.11 shall not be affected in any manner by the entry of an order confirming a Reorganization Plan.

(b) default shall be made in the payment of any (i) interest on the Loans payable hereunder when due (other than amounts set forth in clause (ii) hereof), and such default shall continue unremedied for more than three (3) Business Days or (ii) principal of the Loans when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or by acceleration thereof or otherwise; or

(c) default shall be made by the Borrower or any Guarantor in the due observance or performance of any covenant, condition or agreement herein and, with respect to Section 5.01 (but only with respect to any Guarantor) and Section 5.05 only, such default shall continue unremedied for more than ten (10) days; or

(d) any of the Cases shall be dismissed or converted to a case under Chapter 7 of the Bankruptcy Code or the Borrower or any Guarantor shall file a motion or other pleading seeking the dismissal of any of the Cases under Section 1112 of the Bankruptcy Code or otherwise; a trustee under Chapter 7 or Chapter 11 of the Bankruptcy Code, a responsible officer or an examiner with enlarged powers relating to the operation of the business (powers beyond those set forth in Section 1106(a)(3) and (4) of the Bankruptcy Code) under Section 1106(b) of the Bankruptcy Code shall be appointed in any of the Cases and the order appointing such trustee, responsible officer or examiner shall not be reversed or vacated within thirty (30) days after the entry thereof; or

(e) any material provision of this Agreement shall, for any reason, cease to be valid and binding on the Borrower or any of the Guarantors, or the Borrower or any of the Guarantors shall so assert in any pleading filed in any court; or

(f) an order of the Bankruptcy Court shall be entered (i) reversing, staying for a period in excess of ten (10) days, or vacating the Approval Order, the DIP Extension Order, the Second Amendment Approval Order or the Accommodation Approval Order or (ii) without the written consent of GM, otherwise amending, supplementing or modifying the Approval Order, the DIP Extension Order, the Second Amendment Approval Order or the Accommodation Approval Order in a manner that is reasonably determined by GM to be adverse to GM;

then, and in every such event and at any time thereafter during the continuance of such event, and to the fullest extent permitted by law and without further order of or application to the Bankruptcy Court, GM may, by notice to the Borrower (with a copy to counsels for the Official Creditors' Committee and the Official Equity Committee appointed in the Cases, to counsel for the Administrative Agent under the DIP Credit Agreement and to the United States Trustee for the Southern District of New York), take one or more of the following actions, at the same or different times (*provided* that with respect to clause (iv) below, GM shall provide the Borrower (with a copy to counsels for the Official Creditors' Committee and the Official Equity Committee in the Cases, to counsel for the Administrative Agent under the DIP Credit Agreement and to the United States Trustee Southern District of New York) with five (5) Business Days' written notice prior to taking the action contemplated thereby) (i) terminate or suspend forthwith the Commitments; (ii) declare the Loans or any portion thereof then outstanding to be forthwith due and payable, whereupon the principal of such Loans together with accrued interest thereon and any unpaid accrued fees and all other liabilities of the Borrower accrued hereunder, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower and the Guarantors, anything contained herein to the contrary notwithstanding; (iii) exercise the Set-Off Right against all amounts payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor (including, without limitation, against any amounts payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor under the Master Restructuring Agreement and the Global Settlement Agreement), which Set-Off Right shall be in addition to other rights and remedies which GM may have; and (iv) exercise any and all remedies under applicable law otherwise available to GM; *provided* that, notwithstanding anything to the contrary contained in this Agreement, GM hereby agrees not to exercise any Set-Off Right pursuant to this Section 6.01 or otherwise (which rights, with respect to any Obligations owing under this Agreement, may only be exercised against the Borrower and the Guarantors) with respect to the Obligations arising under this Agreement (A) against any amounts payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor under the Master Restructuring Agreement and the Global Settlement Agreement (1) with respect to any Tranche A Obligations and any prepayments due and payable under Section 2.09, until the effective date of the amendments to such agreements referred to in Section 5.03 and (2) with respect to any Tranche B Obligations (other than any prepayments due and payable under Section 2.09), until the later of (x) the effective date of the amendments to such agreements referred to in Section 5.03 and (y) the Tranche B Termination Date and (B) except with respect to any prepayments due and payable under Section 2.09, against all other amounts payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor (or defer, delay or suspend the payment of any other amounts payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor) until after the DIP Termination Date. Any payment received as a result of the exercise of remedies hereunder shall be applied in accordance with Section 2.10(b).

It is understood and agreed among the parties hereto that, except as expressly provided herein, no default or breach by the Borrower or any of its Subsidiaries under any other agreement entered into with GM or its Affiliates shall give rise to a default hereunder, and neither GM nor its Affiliates shall exercise any rights under any such other agreement as against any other such party as a result of a default hereunder.

Notwithstanding anything to the contrary contained in this Agreement, until after the DIP Termination Date, the Borrower and the Guarantors shall not make any payment to GM or its Affiliates with respect to the Obligations hereunder (except (a) with respect to any prepayments due and payable under Section 2.09, whether in cash or through any Set-Off Right exercised by GM or its Affiliates, (b) interest to the extent paid in kind under Section 2.05(b), and (c) any Obligations due hereunder paid through any Set-Off Right exercised by GM or its Affiliates against amounts payable by GM or its Affiliates to or for the credit or the account of the Borrower or any Guarantor pursuant to the Global Settlement Agreement or Master Restructuring Agreement as permitted hereunder).

ARTICLE VII GUARANTY

Section 7.01. Guaranty.

(a) Each of the Guarantors unconditionally and irrevocably guarantees the due and punctual payment by the Borrower of the Obligations. Each of the Guarantors further agrees that the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and it will remain bound upon this guaranty notwithstanding any extension or renewal of any of the Obligations. The Obligations of the Guarantors shall be joint and several.

(b) Each of the Guarantors waives presentation to, demand for payment from and protest to the Borrower or any other Guarantor, and also waives notice of protest for nonpayment. The Obligations of the Guarantors hereunder shall not be affected by (i) the failure of GM to assert any claim or demand or to enforce any right or remedy against the Borrower or any other Guarantor under the provisions of this Agreement or otherwise; (ii) any extension or renewal of any provision hereof or thereof, (iii) any rescission, waiver, compromise, acceleration, amendment or modification of any of the terms or provisions of this Agreement; (iv) the release, exchange, waiver or foreclosure of any security held by GM for the Obligations or any of them; (v) the failure of GM to exercise any right or remedy against any other Guarantor; or (vi) the release or substitution of the Borrower or any other Guarantor.

(c) Each of the Guarantors further agrees that this guaranty constitutes a guaranty of payment when due and not just of collection, and waives any right to require that any resort be had by GM to any security held for payment of the Obligations or to any balance of any deposit, account or credit on the books of GM in favor of the Borrower or any other Guarantor, or to any other Person.

(d) Each of the Guarantors hereby waives any defense that it might have based on a failure to remain informed of the financial condition of the Borrower and of any other Guarantor and any circumstances affecting the ability of the Borrower to perform under this Agreement.

(e) Each Guarantor's guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Obligations or any other instrument evidencing any

Obligations, or by the existence, validity, enforceability, perfection, or extent of any collateral therefor or by any other circumstance relating to the Obligations which might otherwise constitute a defense to this Guaranty. GM makes no representation or warranty in respect to any such circumstances or shall have any duty or responsibility whatsoever to any Guarantor in respect of the management and maintenance of the Obligations.

(f) Subject to the provisions of Section 6.01, upon the Obligations becoming due and payable (by acceleration or otherwise), GM shall be entitled to immediate payment of such Obligations by the Guarantors upon written demand by GM without further application to or order of the Bankruptcy Court.

Section 7.02. No Impairment of Guaranty. The obligations of the Guarantors hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Obligations. Without limiting the generality of the foregoing, the obligations of the Guarantors hereunder shall not be discharged or impaired or otherwise affected by the failure of GM to assert any claim or demand or to enforce any remedy under this Agreement or any other agreement, by any waiver or modification of any provision thereof, by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Guarantors or would otherwise operate as a discharge of the Guarantors as a matter of law, unless and until the Obligations are paid in full.

Section 7.03. Subrogation. Upon payment by any Guarantor of any sums to GM hereunder, all rights of such Guarantor against the Borrower arising as a result thereof by way of right of subrogation or otherwise, shall in all respects be subordinate and junior in right of payment to the prior final and indefeasible payment in full of all the Obligations. If any amount shall be paid to such Guarantor for the account of the Borrower in respect of the Loans, such amount shall be held in trust for the benefit of GM and shall forthwith be paid to GM to be credited and applied to the Obligations, whether matured or unmatured.

ARTICLE VIII MISCELLANEOUS

Section 8.01. Notices.

(a) Subject to paragraph (b) below, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopy, as follows:

(i) if to the Borrower, to it at 5725 Delphi Drive, Troy, Michigan 48098, Attention: Treasurer (Telecopy No. 248-813-2648; Telephone No. 248-813-2592); with a copy to Deputy General Counsel, Transactional and Restructuring (Telecopy No. 248-816-2491; Telephone No. 248-813-2492); and

(ii) if to General Motors Corporation, to it at 767 Fifth Avenue, 14th floor, New York, New York 10153, Attention: Treasurer, with a copy to General Motors

Corporation, 767 Fifth Avenue, 14th floor, New York, New York 10153, Attention: Director, Business Development.

(b) GM or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications. Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 8.02. Survival of Agreement, Representations and Warranties, etc. All warranties, representations and covenants made by the Borrower or any Guarantor herein or in any certificate or other instrument delivered by it or on its behalf in connection with this Agreement shall be considered to have been relied upon by GM and shall survive the making of the Loans herein contemplated regardless of any investigation made by GM or on its behalf and shall continue in full force and effect (in the case of any representations and warranties, as of the date when made or deemed to be made) so long as any amount due or to become due hereunder is outstanding and unpaid and so long as the Commitments have not been terminated.

Section 8.03. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no party hereto may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of (a) in the case of the Borrower or any Guarantor, GM, and (b) in the case of GM, the Borrower and to the extent reasonably necessary or advisable, by the Administrative Agent under the DIP Credit Agreement (in each case, in connection with the assignment of outstanding Loans, but not the Commitments, such consent not to be unreasonably withheld or delayed), (and any attempted assignment or transfer without such consent shall be null and void); *provided* that the consent of the Borrower or the Administrative Agent under the DIP Credit Agreement shall not be required for GM to assign or otherwise transfer (i) its rights and obligations hereunder to any of its Affiliates that have the ability to perform hereunder or (ii) its rights and obligations with respect to the outstanding Loans, but not the Commitments, to another Person following the occurrence of an Event of Default which is continuing; and *provided, further* that (i) for purposes of this agreement, the term "GM" shall include GM's successors and assigns hereunder, (ii) such assignee shall have no greater rights than GM would have had under this agreement, including as to rights to payment, enforcement and collection, and (iii) any such assignee shall agree in writing to be bound by the provisions of this agreement as if such assignee were GM.

Section 8.04. Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay or reimburse: (A) all reasonable fees and reasonable out-of-pocket expenses of GM (including the reasonable fees, disbursements and other charges of counsel) associated with this Agreement, and the preparation, execution, delivery and administration of this Agreement and any amendments, modifications or waivers of the provisions hereof (whether or not the transactions contemplated hereby or thereby shall be consummated); and (B) all fees and expenses of GM (including the fees, disbursements and other charges of counsel) incurred in connection with the enforcement of this Agreement. All payments or reimbursements pursuant to this clause shall be payable promptly upon written demand together with back-up documentation supporting such reimbursement request. GM's

right to reimbursement pursuant to this clause or any other provision of this Agreement shall not be construed to limit GM's rights to reimbursement under any other agreement or arrangement it may have with the Borrower or any of its Subsidiaries.

(b) The Borrower shall indemnify GM and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee (it being understood that claims for expense reimbursement hereunder shall be accompanied by back-up documentation supporting such request), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the transactions contemplated hereby or (ii) any Loan or the use of the proceeds therefrom; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee (or such Indemnitee's officers, directors, employees or affiliates).

(c) To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the transactions hereunder, any Loan or the use of the proceeds thereof.

Section 8.05. CHOICE OF LAW. THIS AGREEMENT SHALL IN ALL RESPECTS BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

Section 8.06. No Waiver. No failure on the part of GM to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law.

Section 8.07. Amendments, etc. No modification, amendment or waiver of any provision of this Agreement, and no consent to any departure by the Borrower or any Guarantor herefrom, shall in any event be effective unless the same shall be in writing and signed by GM and the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Borrower or any Guarantor shall entitle the Borrower or any Guarantor to any other or further notice or demand in the same, similar or other circumstances. No amendment to this Agreement shall be effective against the Borrower or any Guarantor unless signed by the Borrower or such Guarantor, as the case may be.

Section 8.08. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 8.09. Headings. Section headings used herein are for convenience only and are not to affect the construction of or be taken into consideration in interpreting this Agreement.

Section 8.10. Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that GM may have had notice or knowledge of any Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.16, 2.17, 2.18 and 10.04 of the DIP Credit Agreement (which provisions have been duly incorporated by reference by Section 8.14 herein) and Section 8.04 herein shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 8.11. Execution in Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement constituted the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective on the Tranche C Effective Date, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement amends and restates in its entirety the Original GM-Delphi Agreement, which shall have no further effect after the Tranche C Effective Date.

Section 8.12. Further Assurances. Whenever and so often as reasonably requested by GM, the Borrower and the Guarantors will promptly execute and deliver or cause to be executed and delivered all such other and further instruments, documents or assurances, and promptly do or cause to be done all such other and further things as may be necessary and reasonably required in order to further and more fully vest in GM all rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred by this Agreement.

Section 8.13. WAIVER OF JURY TRIAL. EACH OF THE BORROWER, THE GUARANTORS AND GM HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 8.14. Incorporation by Reference. The terms and conditions of the following sections of the DIP Credit Agreement are hereby incorporated by reference into, and form integral parts of, this Agreement, *mutatis mutandis*, and GM, for purposes hereunder, shall be deemed a “Lender” and/or the “Administrative Agent”, as applicable: Section 1 (Definitions); Section 2.06(b), (c) and (e) (Interest Elections); Section 2.10 (Alternate Rate of Interest); Section

2.16 (Increased Costs); Section 2.17 (Break Funding Payments); Section 2.18 (Taxes); and Section 10.04 (Confidentiality).

Without limiting the generality of the foregoing, upon effectiveness of the Amended and Restated GM Arrangement, GM and its relevant Affiliates (as defined in the Amended GM Arrangement, the "GM Affiliates") shall have (a) allowed claims with administrative expense priority pursuant to section 503(b)(1) of the Bankruptcy Code against Delphi and the Guarantors for all Obligations (as defined in the Amended GM Arrangement, the "GM Arrangement Obligations") owing to GM or any applicable GM Affiliates and (b) all other rights under the Amended and Restated GM Arrangement, including, without limitation, the ability to exercise the right to setoff and apply, subject to the terms of the Amended and Restated GM Arrangement, any indebtedness or liabilities owing by GM or the GM Affiliates to or for the credit or the account of Delphi or the GM Guarantors against any and all GM Arrangement Obligations of Delphi or the GM Guarantors without the need to seek additional modification of the automatic stay imposed pursuant to section 362 of the Bankruptcy Code and without further order of the Court.

6. Notwithstanding anything to the contrary in the Amended and Restated GM Arrangement, (a) neither GM nor any GM Affiliates shall exercise any Set-Off Right (as defined in the Amended and Restated GM Arrangement) with respect to any GM Arrangement Obligations (except with respect to any prepayments due and payable under Section 2.09 of the Amended and Restated GM Arrangement) against any amounts payable by GM or any GM Affiliate (other than amounts payable by GM or the GM Affiliates to or for the credit or the account of any of the Debtors under the Master Restructuring Agreement and the Global Settlement Agreement (as each such term is defined in the Amended and Restated GM

Arrangement)) to or for the credit or the account of any of the Debtors (or defer, delay, or suspend the payment of any other amounts payable by GM or any GM Affiliates to or for the credit or the account of any of the Debtors) until after the DIP Termination Date (as defined in the Amended and Restated GM Arrangement) and (b) until after the DIP Termination Date, the Debtors shall not make any payment to GM or any GM Affiliates with respect to the GM Arrangement Obligations (except (i) with respect to any prepayments due and payable under Section 2.09 of the Amended and Restated GM Arrangement, whether in cash or through any Set-Off Right (as defined in the Amended and Restated GM Arrangement) exercised by GM, (ii) interest to the extent paid in kind under Section 2.05(b) of the Amended and Restated GM Arrangement, and (iii) any GM Arrangement Obligations paid through any Set-Off Right (as defined in the Amended and Restated GM Arrangement) exercised by GM against amounts payable by GM or GM Affiliates to or for the credit or the account of any of the Debtors pursuant to the Global Settlement Agreement or Master Restructuring Agreement as permitted under the Amended and Restated GM Arrangement).

7. The Amended and Restated GM Arrangement has been negotiated in good faith and at arm's-length between the Debtors and GM, and all of the GM Arrangement Obligations as authorized by this interim order have been incurred in good faith as that term is used in section 364(e) of the Bankruptcy Code. In accordance with section 364(e) of the Bankruptcy Code, in the event that any or all provisions of this interim order or the Amended and Restated GM Arrangement are hereinafter modified, amended, or vacated by a subsequent order of this Court or any other court, no such modification, amendment, or vacation shall affect the validity, enforceability, or priority of any lien (including any rights of setoff of GM or any GM Affiliate permitted by the Amended and Restated GM Arrangement and this interim order) or claim

authorized or created hereby or thereby. Notwithstanding any such modification, amendment, or vacation, any claim granted to GM or any GM Affiliate hereunder, under the Amended and Restated GM Arrangement arising prior to the effective date of such amendment, modification, or vacation shall be governed in all respects by the original provisions of this interim order or the Amended and Restated GM Arrangement and GM and the GM Affiliates shall be entitled to all of the rights, remedies, privileges, and benefits, including the liens and priorities granted herein and therein, with respect to any such claim.

8. A sound business purpose exists for the Debtors to incur all obligations under the Amended and Restated GM Arrangement in accordance with the requirements of 11 U.S.C. § 363(b).

9. In the event of any inconsistency between the provisions of this interim order and the Amended and Restated GM Arrangement, the provisions of this interim order shall govern.

10. This Court shall retain jurisdiction to enforce and implement the terms and provisions of the Amended and Restated GM Arrangement in all respects.

11. Notwithstanding Bankruptcy Rule 6004(h) or any other provision of the Bankruptcy Rules or Bankruptcy Code, the terms and conditions of this interim order shall be immediately effective and enforceable upon its entry.
