**RESPONSE OF FCI CONNECTORS HUNGARY GMBH, FCI KOREA LTD.
AND FCI USA, INC. TO DEBTORS' FORTY-THIRD OMNIBUS OBJECTION
(CLAIMS NOS. 19720, 19721, 19722 AND 19723)**

FCI Connectors Hungary GmbH, FCI Korea Ltd. and FCI USA, Inc. (collectively, the "Claimants"), by their undersigned counsel, pursuant to an extension of the response deadline granted to Claimants by the Debtors, hereby respond to the Debtors' Forty-Third Omnibus Claims Objection (the "Objection") as follows:

1. On November 4, 2009, each of the Claimants timely filed administrative expense claims in this case for electrical connectors delivered to the Debtors between June 1, 2009 and October 6, 2009 (individually a "Claim" and collectively, the "Claims").

2. Attached to each Claim was a detailed spreadsheet identifying for each invoice as to which the Claimant asserted amounts due, the invoice (reference) number, invoice date and amount due. In addition, each Claim provided that “[c]opies of invoices, proof of delivery and other supporting documentation, if any, for any and all administrative claims asserted herein will be made available upon written request addressed to [Claimants’ counsel.]”

3. The Debtors do not assert in the Objection that the Claimants have not provided, or made available to Debtors, sufficient documentation to establish a right to payment. Rather, the Debtors seek to have the Claims disallowed and expunged on the basis that the Claims have been satisfied in the ordinary course of business between the Claimants and the Debtors.

4. Although a substantial portion of the Claims has been satisfied in the ordinary course of business between the Claimants and the Debtors, USD 109,384.53 and EUR 14,067.60 remain due and owing to the Claimants as of the date hereof as shown below and in the more details spreadsheets appended hereto as Exhibit A (collectively, the “Unpaid Claims”):

Claimant	Claim No.	Original Claim Amount (USD)	Original Claim Amount (EUR)¹	Amount Remaining Unpaid (USD)	Amount Remaining Unpaid (EUR)
FCI Connectors Hungary GmbH	19720	114,330.07	0.00	91,751.13	0.00
FCI Connectors Hungary GmbH	19722	0.00	117,560.06	0.00	14,067.60
FCI Korea Ltd.	19721	11,041.61	0.00	4,070.30	0.00

¹ The Notice of Objection to Claim No. 19722, which was filed by FCI Connectors Hungary GmbH in Euros, incorrectly states that the Claim was filed in the unliquidated amount of \$0.00.

Claimant	Claim No.	Original Claim Amount (USD)	Original Claim Amount (EUR)¹	Amount Remaining Unpaid (USD)	Amount Remaining Unpaid (EUR)
FCI USA, Inc.	19723	933,834.06	0.00	13,563.10	0.00

5. The Unpaid Claims are entitled to administrative priority status under section 503(b)(1)(A) of the Bankruptcy Code: the Unpaid Claims are for electrical connectors that were used by the Debtors in their day to day business operations and were delivered to the Debtors between June 1, 2009 and October 6, 2009.

6. The Debtors have failed to meet their burden of submitting any credible factual or legal support for the disallowance and expungement of the Unpaid Claims. Unsupported assertions that the Unpaid Claims have been satisfied in the ordinary course of business between the Claimants and the Debtors are insufficient to rebut the *prima facie* validity of the Unpaid Claims.

7. Claimants are currently attempting to resolve the Objection through negotiations with the Debtors. However, in the event that Claimants are not able to resolve the Objection with the Debtors, the Claimants ask the Court to deny the Objection to the extent that it seeks to disallow and expunge the Unpaid Claims.

8. Claimants expressly reserve all rights to amend or supplement this response as circumstances may warrant.

WHEREFORE, Claimants respectfully request that this Court enter an order (i) denying the Objection insofar as it seeks to disallow and expunge the Unpaid Claims; (ii) allow the Unpaid Claims in full; and (iii) grant such other and further relief to the Claimants as is appropriate.
